PARTITIONS

Ocula System

Shaping Visions, Changing Views

Owned and sold exclusively through SIG, Ocula™ is well known as a long established and widely used glazed partitioning brand throughout Ireland.
We offer professional advice to find a solution that will inspire and perform, whatever your budget, size and scope. Working in partnership with you, we strive to bring you a partitioning system, that not only meets but exceeds your expectations.
Developed by partition experts, the established Tenon range and System 8000 are the foundations on which Ocula™ Systems are built. The innovative solutions can turn any vision of space into reality.
As a Ocula partner, we combine design aesthetics and flexibility with outstanding performance. Always starting with our customers, we put you at the very centre of everything we do, continually developing and refining our offering and product range to find you your perfect partition solution.
Ocula specialists have kept four key performance indicators in mind when designing the range, which include:

- Acoustic
- Structural
- Barrier
- Fire
